Barbara Lumb

Barbara,
I don't know
you very well
but you seem
like a nice kid.
Good luck in
your Senior year
and the rest of
your years.
Jackie Wright

I love you so - & here
you are going with "Murf"
Well O.K. then enough. We
the "Hell" can't you stay here. We
are going to have a blast this
summer so try & get back - if the old
body will let you. Love
Murf

Dear Barb,
If you're pulled a
dumbone when you moved
to Huron. If you stay here
this summer we'll really have
a ball?? I think anyway. The
only problem you have is to
(sp) persuade your folks and they
aren't much trouble. You just
have to rule them with an iron
hand. (Ha! Ha!) I really do hope
you can swing it.
Murf

Dear Barb,

Ancient Chinese proverb; Hospitality
is like beer on the chest. It warms the heart.
(But you'd better not believe it. This much was
dictated to me.)

It's been quite a while since I started this
little note and as I come back to finish it I realize
how simple that pink is I wrote in the first paragraph so
why don't you just forget about it. You see what happens
when a guy isn't ready to sign your then bo and you
get in a hurry and make him sign it. It's easier to
write when you can write whenever you get down
good and ready. Maybe not much easier but easier anyway.
You didn't help matters when you saved me a page
right in the front of your book.

We've really had a ball this past year at
all the school parties etc. I've never had another
year in high school that was as much fun as my
Jr. year. I'm glad you were able to get back as
often as you did this year. I hope you can do as
well next year. There are two nights we spent
together that I'm not apt to forget for a long
time. One was the night Dick and Bobbi were
waiting for us and we got stuck (so. led good) and
the other was the time you came home and a bunch
of people I know lost their tempers. The second
one is the one I'm most apt not to forget. (It was done
with this damn pen again.)

I hope you can get back this

about July. This much of the summer I
really been dead. It wouldn't hurt if

The Pierre Governors missed an undefeated season by only one game again this season for the third consecutive year.

Their only mark in the loss column was handed to them by the Miller Rustlers, a team composed almost entirely of seniors. On the winning side of the ledger, the Governors were credited with six wins, downing Huron, Chamberlain, Lead, Winner, Mobridge and Lemmon.

The finale with Belle Fourche was cancelled by an early snow storm.

The Green and White showed a running attack which demolished the enemy defenses. It was lead by Don Hoffman, the fourth star to emerge from the Hoffman family, and Dennis "Gus" Kayser. Hoffman paced the club in scoring, yards gained, most carries, and average yards gained. Kayser was runnerup for most of the honors. The backfield was rounded out by Francis Brink and Gary Sellers. Both were consistent ball carriers and exceptional on defense.

Brink handled most of the passing chores for the Governors and did a credible job of keeping the defense honest although the Governors ran much more than they passed. His primary target was Terry Woodward who snared 17 of the 22 passes that were completed by the club.

Jim Forney held down the other wing on offense and did a good job of blocking. John Luecke and Larry Myers at the tackles, Jerry Roberts and Harvey Thompson at guards, and Pat Murphy at center all did great jobs of opening up holes for the backfield men to sprint through.

The defense was especially fine, holding the opponents to an average of only six points a game. Biggest defensive factor was tackle Juecke. He was the pillar of strength around which the defense was molded. Thompson and J. W. Baxter at the ends were both outstanding, carrying passes to no end.

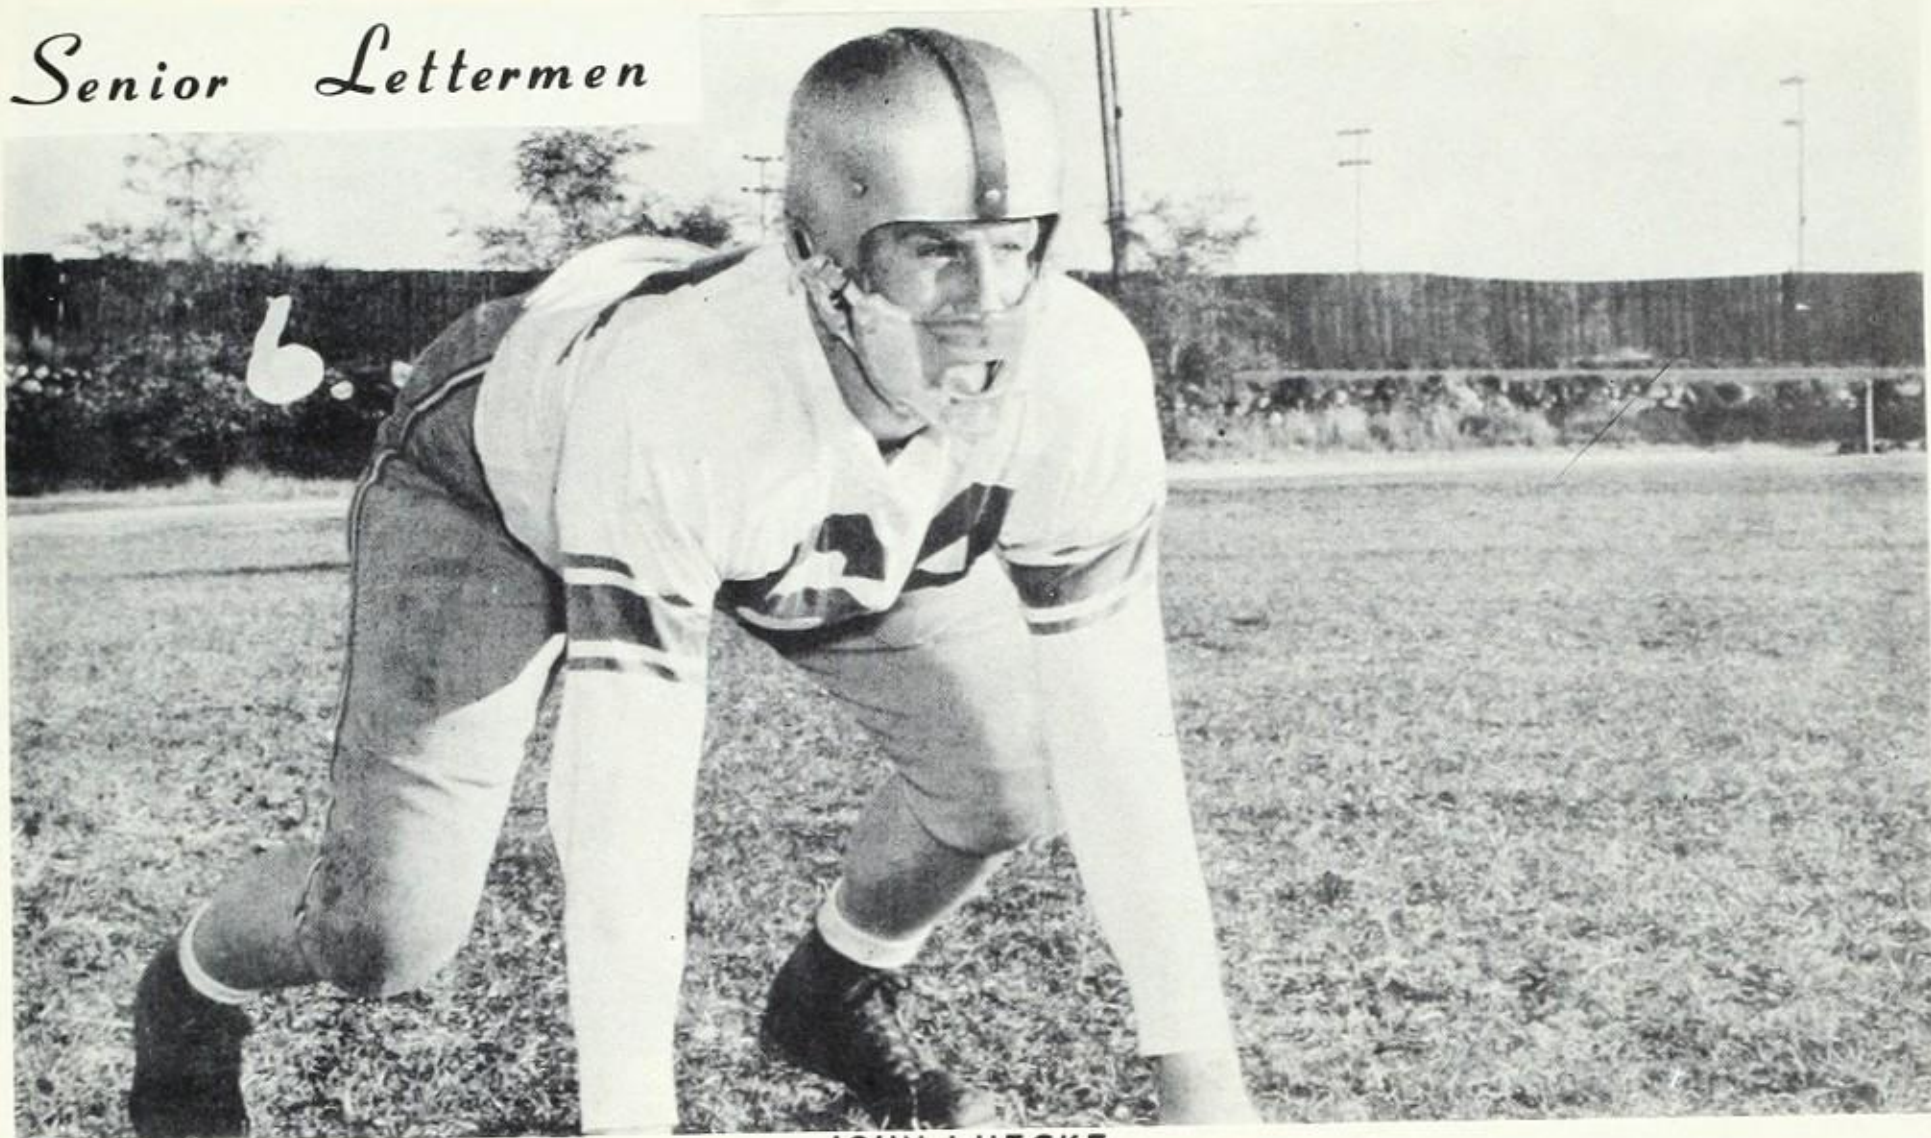

Roberts and Forney plugged up the middle of the line with their fine defensive play. Fred Mathews held down the other defensive tackle spot.

Sellers, Brink and Myers played steady defensive games at the line-backer positions and Kayser and Woodward played double safety.

For the seniors it meant the third frustration in their search for an undefeated season. They were downed by Mitchell in 1954, Huron in 1955 and Miller burst the bubble this year.

Francis Brink and John Luecke were honorary co-captains of the club.

Senior Lettermen

JOHN LUECKE

Pierre Governors had one of the strongest defenses in South Dakota football circles this season and much of the credit belongs to John Luecke.

He received due recognition as he was chosen as first string All-State tackle. It was the first such honor bestowed on a Pierre student and a fitting tribute to the terror of ball carriers throughout the state.

Luecke weighs in at 212 and, as any opposing tackle will tell you, is practically immovable. He was constantly in the opposition's backfield, knocking their ball carriers for losses.

His defensive ability can be demonstrated by two games this year. In the first game of the year the Governors met their rivals the Huron Tigers. In the second quarter Luecke was in on seven tackles in a row. Against Miller Luecke moved from his tackle spot to middle line-backer to try and plug the gap as the Rustlers were gaining huge chunks of yardage through the middle. Luecke plugged up the hole but his loss was sorely felt at the tackle spot when the Rustlers moved through there.

Luecke is a fine leader and was elected honorary co-captain of the club at the end of the year. He shared the honor with Francis Brink. He was also chosen as president of the choir, and is throwing the weights this year for the Governor's thinclads.

He plans to attend college but has not made up his mind where he will go. He has had football scholarships offered him by Nebraska, Colorado, Indiana, Kansas and the University of South Dakota.

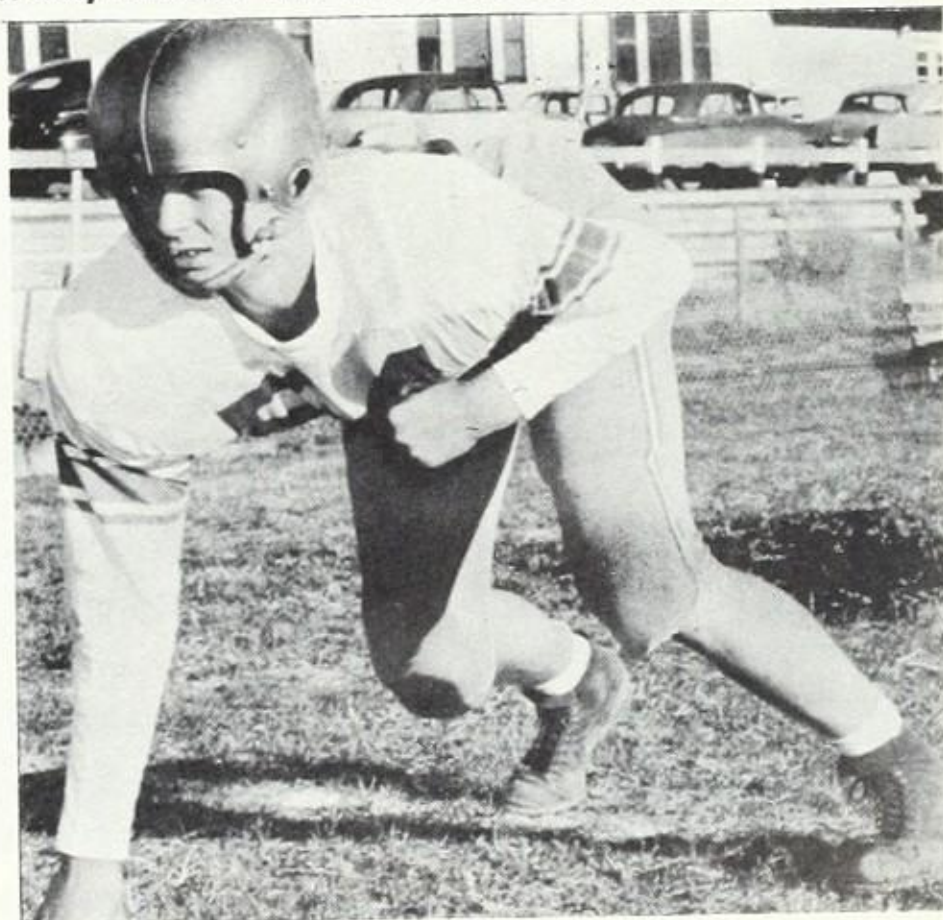

Hoffman's out distancing his fellow runners in the backfield is shown by the statistics. He gained 500 yards in 68 attempts for an average of 7.3 yards per carry, while scoring 44 points.

Kayser trailed the sophomore in scoring with 36 points, in yards gained with 357 yards and in carries with 63 attempts. Bill Jonas, a top flight substitute, was second in average yards gained with 6.1 yards per carry.

The Governors piled up 195 points while allowing their opposition only 42 points. They averaged 27.6 points per game to six for the enemy. The Governors accumulated 1,947 yards gained for an average of 278 yards a game. 1,550 of the yards were made on the ground with only 387 yards coming on passes.

The results:

Pierre	12	—	Huron	0
Pierre	34	—	Winner	0
Pierre	41	—	Chamberlain	0
Pierre	21	—	Lead	12
Pierre	6	—	Miller	26

The Governors were jinxed in Basketball by the Miller Rustlers but romped to a record of 16 wins and four losses for the season.

The Rustlers handed the home club two of the losses including one in the sectional tournament that knocked the Governors out of the running for a state tourney berth. Miller had ruined an almost perfect football season for the Governors by downing them on the Governors own homecoming day.

The Green and White not only lost at homecoming but lost the Governor's Cup to Bismarck in a thriller that was decided in the final seconds.

The Governors opened the season at Lead and were immediately clobbered by the Gold-diggers, but they roared back from the sting of defeat like veterans to beat Deadwood the following night and to go on to win 12 games in a row before they met Miller for the first time.

The Governors used mainly six men during most of the season. They were Terry Woodward, Pat Murphy, Dick Bad Moccasin, Jim Brown, Jim Forney and Ken Smith.

They were backed up by Tom LaVelle, Don Hoffman, J. W. Baxter, Art Krull, Dave Quimby and Dennis Kayser.

Bad Moccasin put on one of the great individual efforts of the year when he poured 30 points through the hoop as the Governors downed Mandan. He was also high point man for the year with 304 points for an average of 15.2 points per game. Woodward followed close on his heels with 290 points for 14.5 points per game.

Woodward played good defensive ball, knocking shots out of the air on many occasions.

Murphy and Brown alternated as playmaker on the club. Forney was a steady performer and the captain of the club. Smith rose to great heights on occasion such as the first Miller game.

The Governors were on a whole one of the strongest defensive teams in South Dakota. They allowed 792 points in 20 games for an average of only 39.6 points per game, an average that will not win many games in South Dakota circles.

Starting Five

Terry Woodward; Jim Forney; Dick Bad Moccasin; Ken Smith; Pat Murphy

The Governors scored 1,055 points for an average of 52.7 points per game. Bad Moccasin and Woodward account for 30 points of the average.

our high jumpers

As the Gumbo goes to press, the Pierre thinclads have not made their debut, but all indications are for one of the best years since Phil Trautner took over the coaching reins at Pierre High School.

Top prospects are lettermen Jerry Grage, Dennis Kayser, Dick Bad Moccasin, Pat Murphy and Terry Woodward, along with transfers Harvey Thompson and J. W. Baxter.

Grage, who competed in the State track meet last year, will have the broadjumping duties for the Governors along with Kayser. Woodward and Baxter will fight for top dog at the high jump pit. Thompson will carry the Governors hopes in the pole vault.

Woodward tied for third in the high jump an the state meet last year while Thompson took fifth in the pole vault.

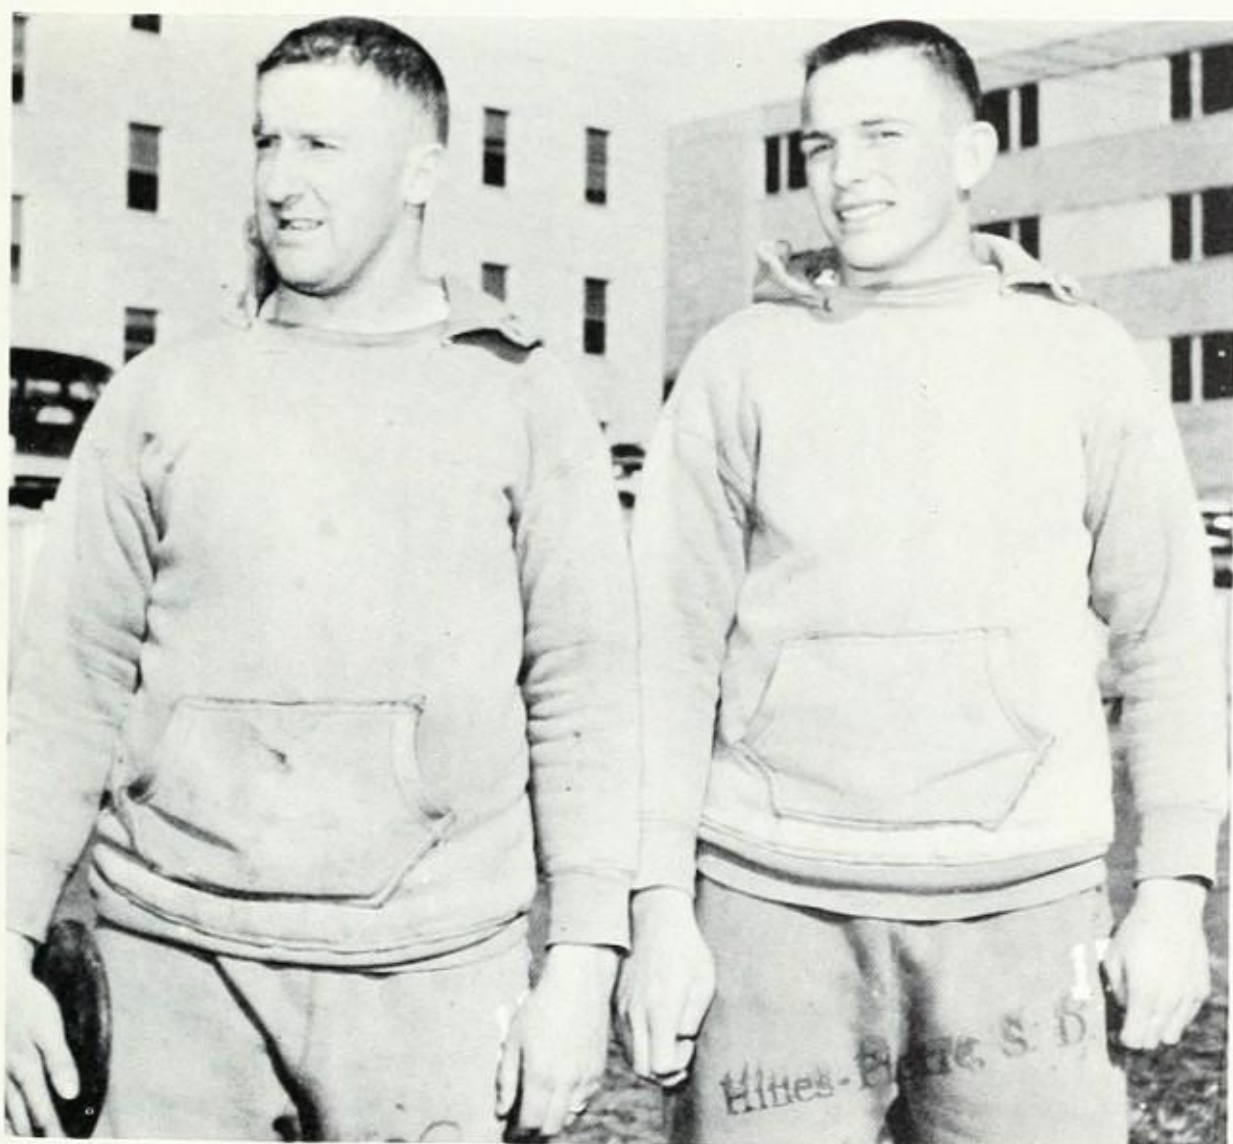

Woodward will also have the hurdling duties and will run in the relays. Kayser will also be in the relays as well as the sprints.

Bad Moccasin, who won the regional meet and copped third in the state contest, is back in the 880 yard run again. He will probably be in the 440 yard dash also.

His competitor in the 880 will be Murphy whose specialty is the mile run. "Murph" nabbed second in the state last year in the mile. He faces tough competition from Bob Calkins and Steve Byrnes.

Jim Forney, Chuck Riter, and Don Hoffman look like they will be tough in the sprints.

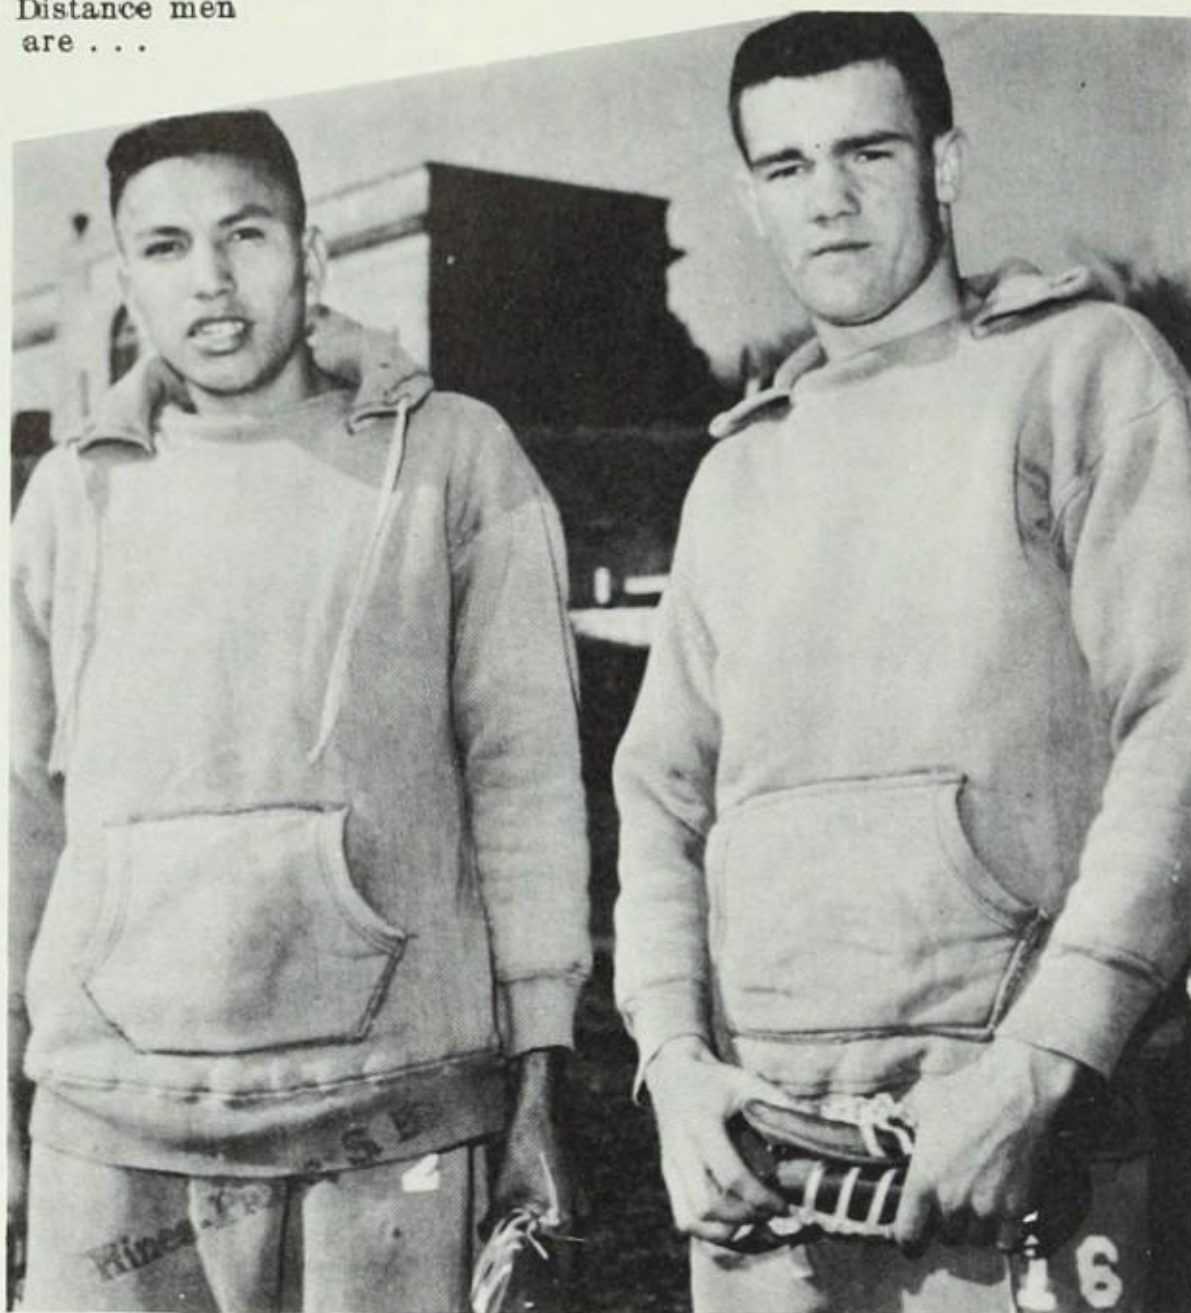

The Governors have no lettermen in the weights but will be well represented by John Luecke, Dave Quimby, and Gary Sellers.

Pierre High's Athlete of the Year is

John Luecke

Already named as football team co-captain, All State tackle and a promising member of the track team, John was named the outstanding athlete of the year. In close competition with him were Jim Forney and Francis Brink.

Coaches, Cheerleaders and Crowd

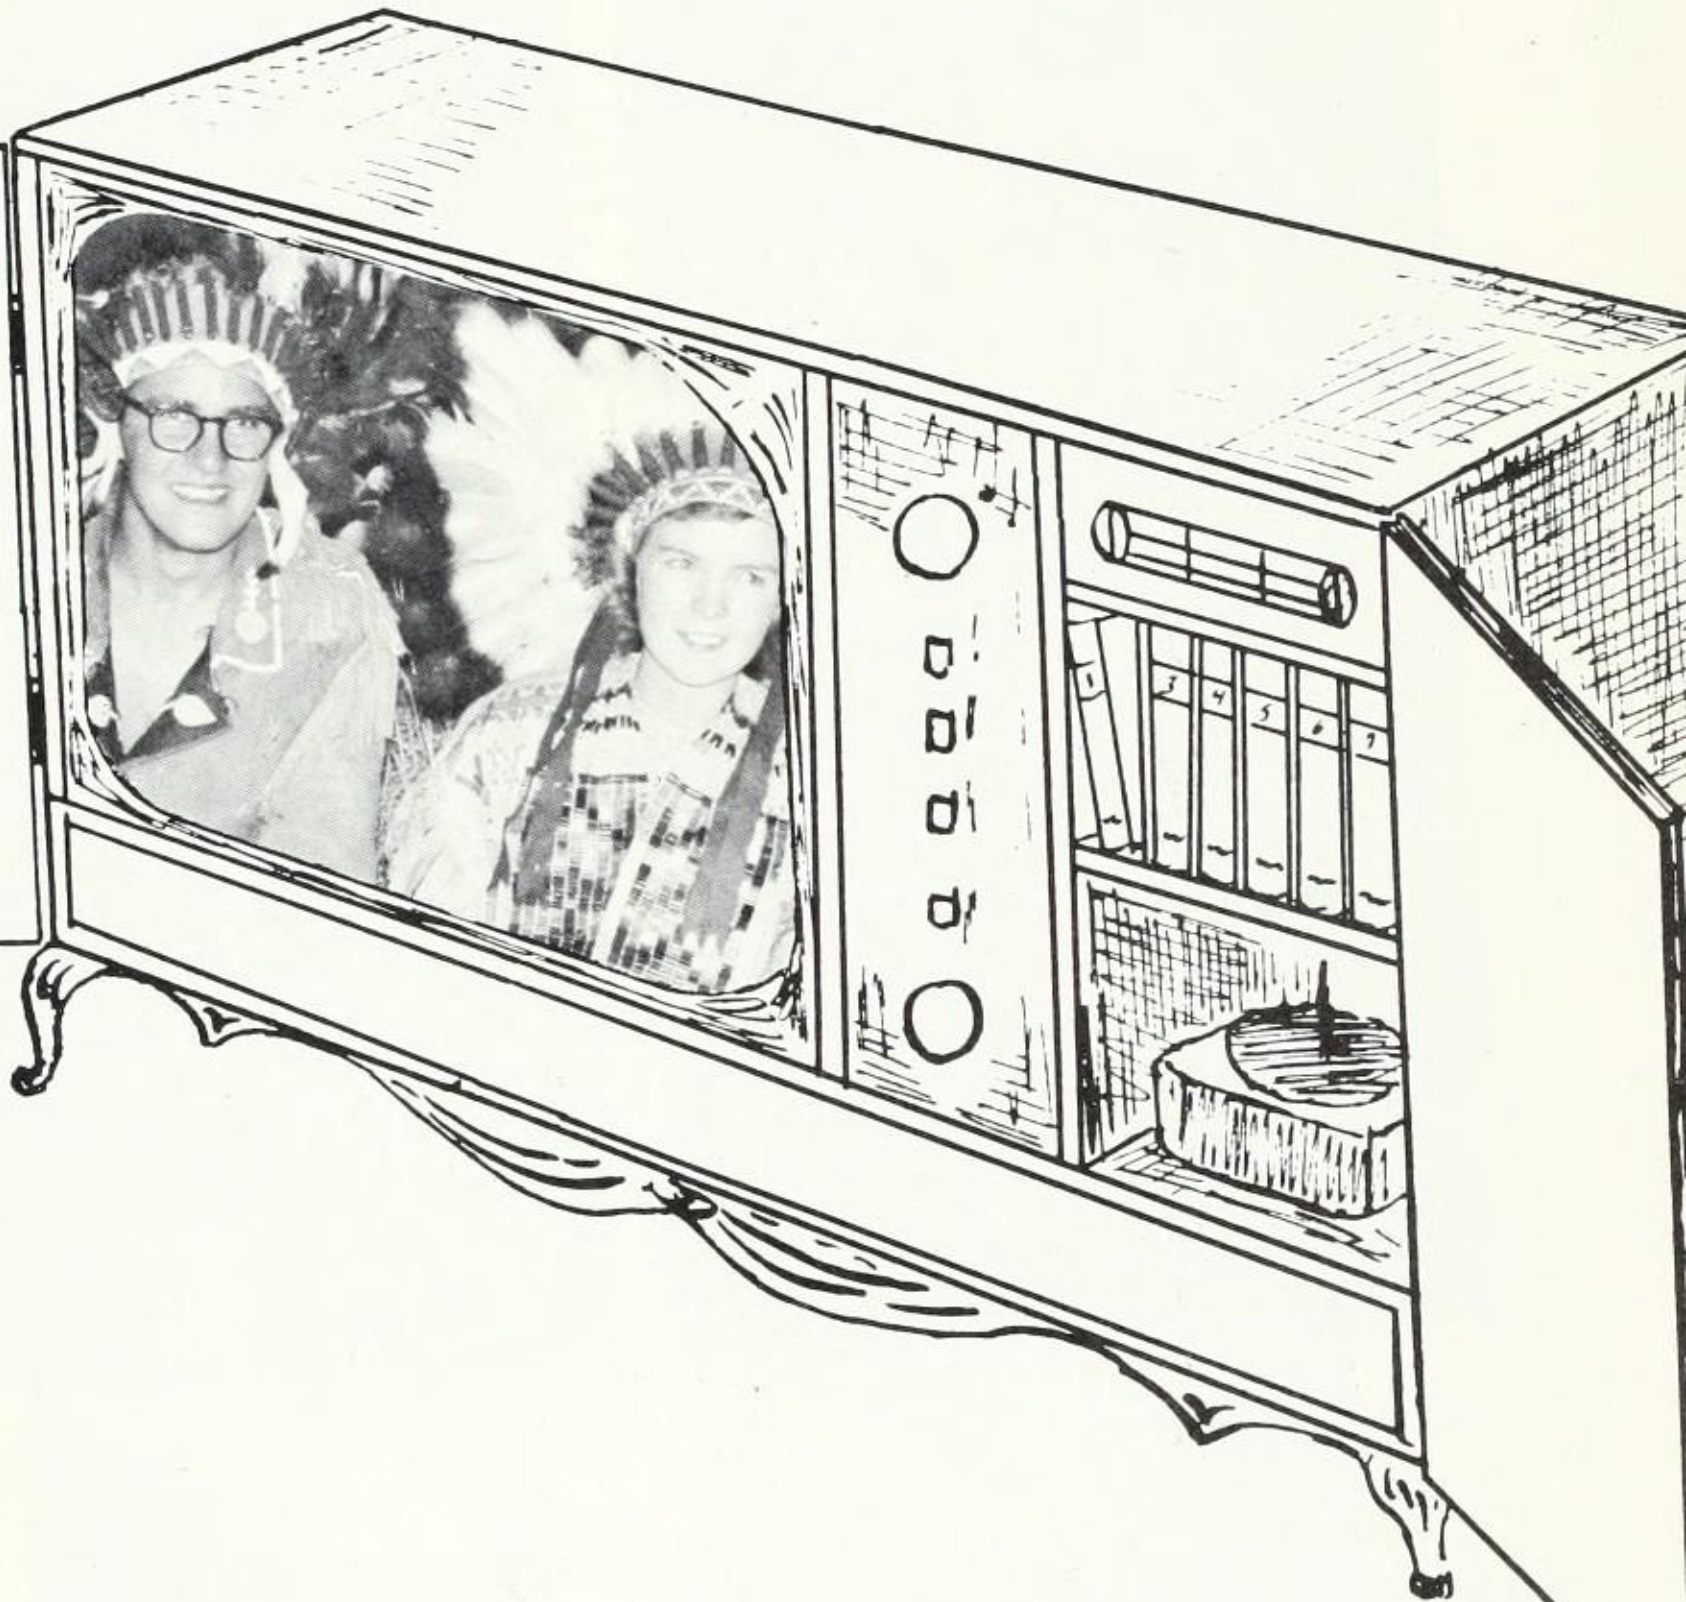

Coaches Dafnis, Heer, Trautner and Van Alstyne take time out to discuss next year's strategy. In the background is the Pierre high school flag.

Emmy Awards

Homecoming

Pierre High School chose Jeanette Ottum and Francis Brink, by popular vote, as the Homecoming royalty for 1956. The Marshal presided over the Homecoming celebration, including the coronation, parade, and football game. The Homecoming Queen, Jeanette, also presided over the two day celebration, and had the privilege of lighting the traditional bonfire after the Snake Dance.

Homecoming Royalty for 1956

Minneshosho Day starts out with a big snake dance consisting of Junior and Senior High School students who are full of pep and school spirit. This snake dance and the big bonfire are held after the coronation of the queen. The following day the parade is held along with a pep meeting, followed in the evening by the Homecoming game, one of the most important activities of the year.

Minneshosho Day was started in 1929 and it has become a custom every year since then. It is a time of Homecoming for alumni as well as a wonderful celebration for all of Pierre High students.

King of Hearts

The annual King of Hearts Dance, held in February, at the Masonic Temple, was sponsored by the Job's Daughters. Dick Crow was crowned king by Honored Queen, Gayle Thorpe. Dick is a very popular Senior, being one of Pierre High's best artists, he had the job of doing art work for the Gumbo 1957.

Sponsored by Bethel No. 10, International Order of Job's Daughters

Sweethearts Ball

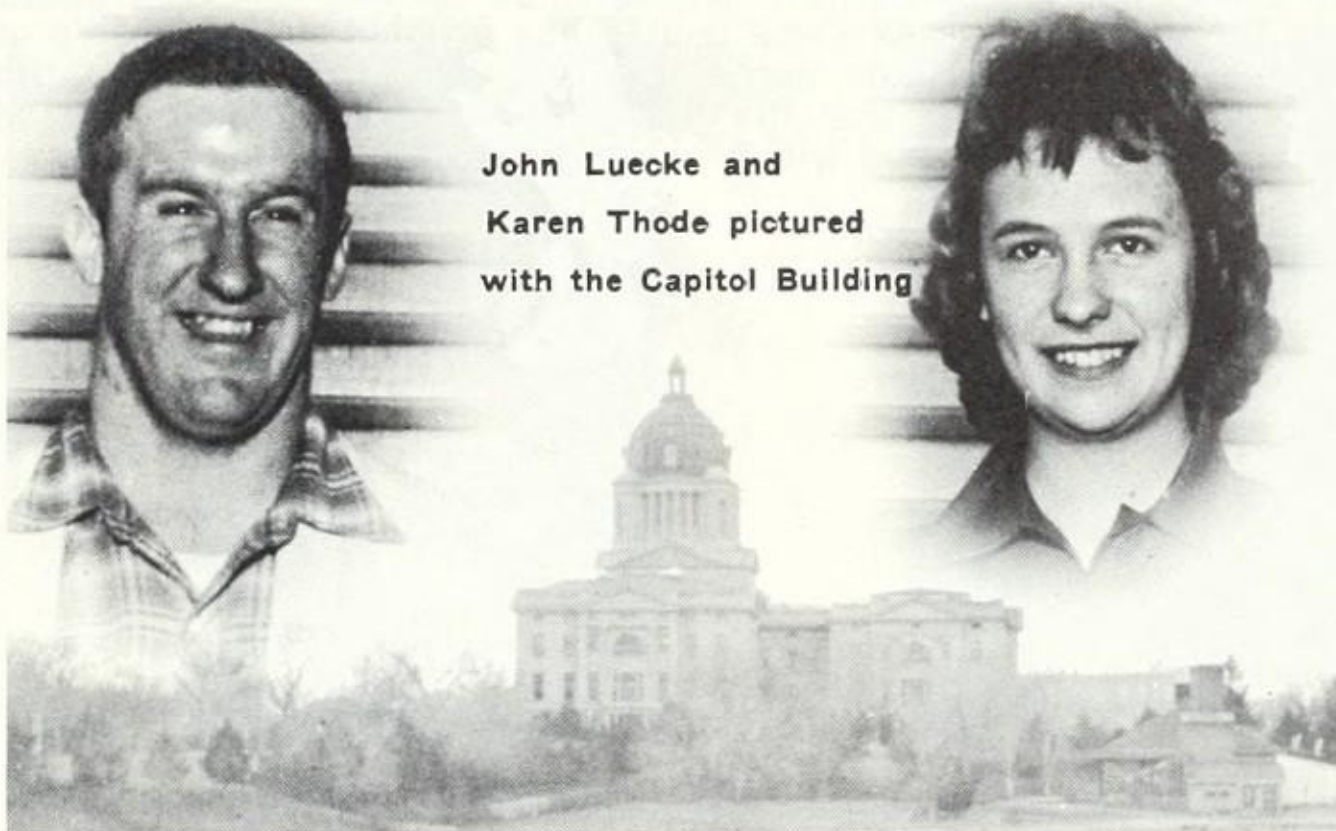

The annual Sweetheart's Ball was held in the Masonic Temple during the Christmas Holidays of 1956. The Sweetheart was the popular Sandra Rydland, selected by the Ashley Chapter of DeMolay. She was crowned and presented with a gift by the Master Councilor, Allen Scovel. Together they led the grand march of the large crowd at the dance. Sandra is in Girl's Glee Club and has been a very active member of FHA, being selected president this year.

Governors Day

It has been the goal of Pierre High School to establish a Governor's Day between the capitals of the Dakotas, Bismarck and Pierre. In 1956 this goal was accomplished.

A bronze trophy of Sitting Bull, designed by Oscar Howe, Pierre's acclaimed art teacher, is awarded to the winning capital, and a white buffalo skull to the losers. These trophies are kept until the next game the following year.

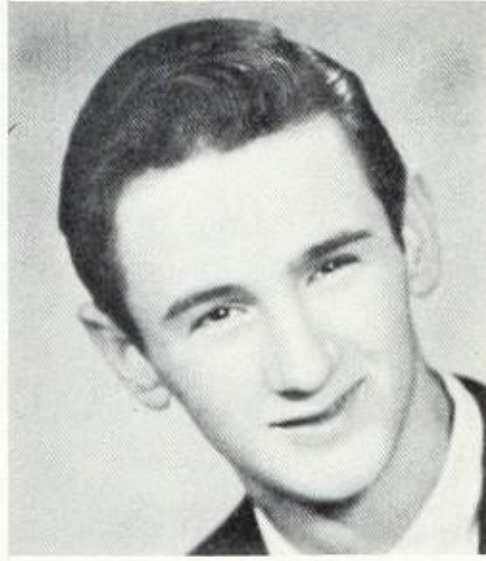

This year the Pierre student body went to Bismarck. They were given a very warm reception by the Bismarck High School student council who had the weekend all planned for the Pierre students. This plan included a tour of Bismarck, a very nice dance after the game, and on Saturday, a guided tour of the beautiful capital building. The royalty representing Pierre were John Luecke as Representative Governor, and Karen Thode as First Lady.

Both Pierre and Bismarck have succeeded in making friendly relations between the two schools, and there is a feeling of good sportsmanship and keen competition between the teams. We hope this feeling will continue throughout the years, and that the Bismarck-Pierre Governor's Day will gain importance for the good will it has established.

Hi Barb,

This is my favorite spot to write in its kinda away from everyone's prying eyes. Well honey we have really had some fun together esp. on those "double dates". Don't forget the time we went to the show we really embarrassed prissy murf. Look ole' Dick went to sleep. That just shows how interested he is. Boy we should be given a medal together for all of our fee fee letters, but I guess that is the way the ole' ball rolls. We are really going to have fun this Sunday, your birthday, to really top off a beautiful year. What we haven't done already we will do on that day. It may be kinda costly in more ways than one. I sure hope we can pull things off on Fri. night. Don't forget the times we have slept together, got ole' Mrs. Murphy and our little troubles. -- Also the night murf got "stuck", you bet!! Why did you have to move? Now we have no place to gather like we used to. Well honey I sure miss you. Bobbie

The Reminder

Here it is, your 1957 Gumbo. We all had a lot of fun and worry getting it ready for your approval. We did some of the work, but there are others to thank for their part in making this book possible: lithography, The Reminder, Inc.; bindery, State Publishing Co.; photography, Mr. Howard Morrissey, Miller Studio, Hines Photo Service, Keith's Studio and Times Candid Photographers; covers, Kingsport Press, Inc.

We wouldn't have missed all this fun and worry over the Gumbo, but, seriously this is pretty much how we felt when it was all done.

Dear little Barbie Jo:

Gosh, I have really missed you this year. You don't know how much. We will really have to have a blast this summer while you're here. I can hardly wait. I hope Murf doesn't take up too much of your time so we can have our "goody little talks" (at midnite on the porch — sure!)

Remember all the good times we've had when you're @ home back (every other week-end. Ha! Ha!) Maybe next year you'll be here again — we'll keep hoping!

What do you think of these Embas?
Don't answer that!
